APPLICATION FOR FAMILY STATUS

In recognition of the fact that CGA members leave the workforce completely for a minimum of 12 months (i.e., they are not working part-time or temporarily) to raise families, the Board of Governors established the Family membership category.

- This special category is available for a maximum of five years; these do not have to be taken consecutively.
- The Family status category is not retroactive and application must be made **prior** to leaving the workforce.
- This member is temporarily out of the workforce to raise a family for a minimum of 12 months as per the effective date.
- This member is required to submit an application form for approval for each additional year.
- A special fee of 35 per cent of the CGA-BC member dues is assessed in lieu of regular membership dues, and no retroactive refunds are granted.
- Members who qualify for Family status may choose one calendar year of exemption from CPD reporting.
- No other membership privileges and responsibilities are affected.
